YOUNG LEARNERS

KIDS CLUB MINI GROUP 4-7YRS

Kids Club Mini Group is a fun course emphasising spoken and communicative activities based on key topics such as pets, clothes, jobs, the environment, colours, numbers and the alphabet. New language, vocabulary and everyday English are introduced to this small group through storytelling, singing songs and nursery rhymes, colouring, drawing, arts and crafts and other imaginative exercises.

Interactive whiteboards are used to encourage real communication and rapid learning. More focus is made on the visual, aural and oral skills rather than on the written aspect of the language as at this age they might still be unable to read or write.

WHEN CHILDREN
ARE ENGAGED,
THE LANGUAGE
WILL FOLLOW.

PRE-TEENS 8-11YRS

Our bright and colourful Child Activity Centre, set-up with pictures, charts and a 'school shop', provides a stimulating background for our Pre-Teens to work on projects and posters, display their own handcrafts, take part in role plays, sing songs and listen to stories. These activities are used to introduce new vocabulary, everyday English, pronunciation and basic grammar that help to develop speaking, listening, reading and writing skills in English.

Interactive whiteboards and resources specifically designed for this age group are used to engage the students, interact with their teacher and peers and explore the English language.

"These two weeks at school were great. I normally don't really like school, but the weeks in Malta were wonderful. I had a really good teacher. She was really friendly and well-prepared."

GV MALTA OFFERS A FANTASTIC RANGE OF FIVE QUALITY COURSES AND PACKAGES

TEEN EXPLORER MINI GROUP

This practice-oriented and conversation based Teen Explorer Course is held in small groups outside the school. Conducting interviews, surveying people, ordering snacks and drinks, swimming and enjoying English outdoors are just some of the many practical interactive tasks included in this exciting programme.

All sessions are professionally organised by our fully-qualified teachers and focus on guiding students towards using correct grammatical structures, vocabulary and improving pronunciation and listening skills in a relaxed environment. A small group makes it easier for the teacher to concentrate on the student's individual needs.

TEEN TUITION

Consisting of 20 lessons per week, Teen Tuition is communication based and designed to increase our students' confidence and fluency by using English in everyday situations and ultimately assisting in their English studies.

Our teachers, trained specifically for this age group, use tailor made teaching material for IWBs to make learning fun. Grammar and vocabulary are focused on by using Internet, teamwork and competitions. The most important four skills of speaking, listening, reading and writing are enhanced through the interaction with other teenagers from around the world, through discussion and debating topics such as famous personalities, hobbies and sports.

"My children and me are very satisfied here. The school is modern furnished, the teachers are very kind, friendly, professional and patient. My son likes this type of study, because they are learning through play. My daughter likes that they learn outside the school on the Teen Explorer course. It's more interesting for her and I'm satisfied that I can try talk in English with various nationality people."

Both courses cover all subjects from General English, Business English, through to ESP and are available to all ages and levels and can also be combined with other courses.

I am a university student and came to GV Malta to study for 3 weeks. I chose the school because I can speak to lots of students from many other countries in Europe. All the students in my class and residence are very nice. It's my favourite memory and I went sightseeing with my friends.

The school is very at home and comfortable, the teacher in my class is very good and gives a very interesting class. I am embarrassed about the western style of class, but thanks to my teacher talking to me, I could talk in my class little by little. I recommend you this school. "Sofia & me were in Malta last July 2012 and my 4 year old daughter was the youngest in the school. It was really funny 'cause we were like two friends at school, during the morning break we had a snack together and then in the afternoon we enjoyed the sea. The classroom is really perfect and proper to teach the language to young children. There is a roof terrace with a beautiful shop where to play and learn at the same time. The school was perfect for our needs: not too big, not too many people attending the courses and many families with children. I fully recommend this school to all families with young children. Don't wait too much time.

Come and enjoy the experience @ GV Malta!"

*Silvia & Sofia, Milan Italy
Returned again in 2013.*

"We have been in GV Malta for 3 weeks and it has been interesting to mix, to study English and to be on holidays all family together. It was funny to come together every morning to school and to meet us in the break. The children laughed when we said that we have homework also."

Students who arrive during the night are required to visit school registration office the next school day and pay deposit there. If students' arrival is early in the day and they prefer immediate access to their room, the School recommends that the accommodation is reserved from the night before to guarantee immediate access.

DAMAGE DEPOSIT

The damage deposit is held against any costs that may be incurred in respect of missing items of inventory, breakages, damages or excessive dirt that students may cause during their stay. Students leaving untidy rooms will not have their accommodation cleaned and may have to pay an additional fee for extra cleaning services. In order to be checked, the accommodation has to be vacated and keys returned.

INSPECTION OF ACCOMMODATION

Management or staff can enter to check the accommodation whenever they deem it necessary. Glasses, mugs, pots, pans, plates, cutlery etc. must not be moved from one accommodation to another. When inspecting the accommodation on departure, clients will be charged for missing items even if they are in another accommodation. Posters, photos, postcards, etc. must not be stuck on to the walls; this is to avoid damaging the plastering. Students are responsible for missing items of inventory, breakages and damages in their accommodation; therefore, it is in the interest of the students who are sharing accommodation to ensure that any damage caused in their accommodation or abuse by other students within their apartment is reported to management immediately.

PARTIES

Parties must not be held in the accommodation. Loud music, singing, shouting or any other disturbance in the accommodation, corridors or any other public area is not permitted at any time during the day or night. There will be no refund for students who are asked to leave due to their misuse, abuse or disturbance in and around the accommodation provided by GV Malta.

KEYS

Every student will be given his/her own room and main door key. Students staying in the apartments will be charged for lost or broken keys and the cost of changing main door lock and key cutting.
