## David & Carmen | Spain

"We are working for free accommodation at Aabi's deluxe apartments in Byron Bay. After finding the job advertised on the Lexis English student noticeboard, we called the staff at Aabis, did some training and secured the job! We have really enjoyed our time here. You can do any type of sports and above ALL - the water sports are amazing, we swim and surf every day. The people here are totally different; everyone is relaxed and calm. You only have to enjoy your life here!"

## Dianna | Colombia

"When I arrived in Australia I couldn't speak English very well, now I am happy with my progress. I have made many friends, especially at school because I teach a salsa dancing class. I am currently working as a cleaner in the retail store 'Target' at the Sunshine Plaza. I have worked here for 2 months already and work 5 days a week from Monday to Friday before school starts and sometimes on weekends. I like having a job because it pays for my lifestyle here and I am saving to travel around Australia once I finish my course. I found my job on the internet and before this job I was working as waitress at a Vietnamese Restaurant."

## Tabea | Germany

"I have had quite a few jobs since I've been living here, ranging from a door to door sales person (where I was quickly promoted to Sales Manager), an Au Pair and I have also worked in top quality restaurants throughout Perth. I have really enjoyed working here, as it has been a great introduction to Australian life and culture. I have just started a new job at the local supermarket just up the road from the school."

## Jonatas | Brazil

"After attending the Job Workshop at Lexis English, I was confident enough to apply for work. I searched online and found both my wife and I jobs with TJS, a cleaning company with offices across Australia. After three months I was promoted to supervisor and now have sole responsibility for a team of cleaners at the Noosa Surf Club. My Lexis Job Workshop teacher Phil helped me very much in securing a job quickly. I am an advertising director in Brazil and hopefully this means that I can extend my study in Australia."
